SCHOOL NEWS

The fire alarm system at the Bethel Village Primary School was recently inspected by a representative of the Eastern Fire Equipment Co. who recommended changes and additions to the present system. In order to insure adequate warning for all classrooms two fire horns have been purchased, one to be installed in the annex and the other in the basement of the main building. The present manual control located in the main building will be supplemented by a second control to be located in the annex. Installation of the additional fire alarms will be made shortly.

The fee will be \$10.00, and should be paid prior to the registration deadline June 2. Registration fees should be payable to James Owen and may be left with Mrs. Lucas at the school office. At the close of registration on May 26, thirty-two pupils had registered for driver-training instruction this summer. Bennett's Garage has offered to furnish the dual-control automobile necessary for the course.

Bernard Ross of Presque Isle has been appointed principal of West Paris High School effective Sept. 1, 1961. Ross, a graduate of the University of Maine in 1958, received a B. S. degree after having majored in Social Studies. He has had teaching and coaching experience at Stratford, N. H., and during the past two years has been a teacher at Limestone High School. Married and the father of two children, Ross plans to move to West Paris during August.

Caution and courtesy are safety twins which should accompany us on all our automobile trips—long or short. The Maine Highway Safety Committee reminds us that driving without either of these twins is really asking for trouble. They urge us to drive with care and to lean over backwards to give the other fellow a break. You'll be doing yourself a big favor.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

The Chapman Street sewer project was not started on Wednesday due to the breakdown of Roderick McMillin's backhoe. The project will start as soon as repairs are completed.

A copy of the warrant for the special town meeting to be held on June 7th appears in this issue. Important articles are to be considered and every interested voter should be present and express himself by voting either for or against the various articles in accordance with his opinion of the questions. Too often special town meetings are held at which the proponents directly concerned are the only ones in attendance.

The D&S Corporation of Yarmouth were low bidders to supply the town with asphalt this year. The selectmen voted to accept the bid.

All persons desiring to have asphalt applied to their driveways this year must come to the Town office and sign a written request for the town to do the work. The price will be 25c per gallon for the material applied and covered.

The motor in the 1952 International 4x4 truck has been replaced with a new short block. This truck is used for the hardest of snow plowing resulting in greater wear and tear of the equipment. The motor was partly taken down to determine the condition. As it has been used for the past nine winters the condition was such that it was determined that it should be replaced.

Sincerely,
Harold L. Bean

Report Plans for "Mollyockett Day"

Tremendous response is already being given the Bethel Health Council's Mollyockett Day Committee and initial plans are well underway at an early date for the gala July 29 Field Day.

Many of last years participating individuals and groups have agreed to assume their various tasks again and several new booths, displays and events are on the planning board to enlarge this festive affair for all age groups.

Of special interest, the Committee has received tentative

confirmation from the Greater Portland Junior Chamber of Commerce that the day will be honored by the presence of Dayne Christie, Miss Maine of 1961.

Adding further to the beauty of the parade and activities, Richard Blake, Jr., president of the Bethel Jaycees, announces that organization is trying to sponsor the appearance of Miss Oxford County and they are awaiting confirmation.

Watch for further developments and plan your entire day around the 1961 Mollyockett Day.

Local Dental Health Program Starts

Mrs. Dexter Stowell, president of the Bethel Health and Service Council has announced the appointment of a committee to plan a Dental Health program under the council's sponsorship. Members are Mrs. Samuel Timberlake, chairman;

Mrs. Avery Angevine, secretary; Mrs. Norman Dock, Mrs. Vernon Smiley, Jr., Dr. John Trinward, and Eric Sahlberg. Serving in ex-officio capacities are Mrs. Stowell, Kimball Ames, treasurer, and Miss Velma Spencer, public health nurse for this area.

Inauguration of the program was marked by a showing of dental health films in the public schools of Bethel village, East and West Bethel, Locke Mills, and Newry. On the same days, May 25 and 26, questionnaires were sent home with all of the

pupils in these schools. These are to determine home interest in the establishment of a dental clinic for Bethel, as well as to indicate to the parents that the Health Council is making a definite effort on this vital project. Parents who have not returned their questionnaires as yet, are urged to do so.

In addition to the teaching staffs, Mrs. Timberlake was assisted in the film presentations by Mrs. Lincoln Fiske; Mrs. Wade Robertson of Newry; Mr. and Mrs. Lester Bickford, Mrs. Dora Ford, John Roberts, and Wayne Mason of Locke Mills; James Davis, Charles Jacobs, Gregory Glines, Charles Heino and Rev. Clifford Laws.

An art contest employing dental health topics is also in progress in the area schools. Details on this competition will be publicized next week.

BETHEL BOOK FESTIVAL NEXT WEEK!

Bethel has been one of 66 lucky libraries in the state of Maine. Because the population is between 1,000-3,000, because it is open least 8 hours a week (we are open 121) and because we have had an inadequate sum to buy books, we have had a Federal gift of \$250 worth of books. This year, they are all for the little ones, juniors and young people. So let's celebrate!

Next week everyone is invited to the Library to see our new books. Our hours are: Tuesday, 2-5; Thursday, 2-5; Saturday, 2-8 p. m. We are hoping that every class in the elementary schools will visit us by appointment, so that our children will start in the fun of reading books this summer. Do come in!

Because of the holiday it has been necessary to omit or condense several contributions for this issue.

1961 MAINE HIGHWAY MAP BEING DISTRIBUTED

The 1961 Official Maine Highway Route Maps are now being distributed by the State Highway Commission. They will soon be available to all Maine State Highway Commission offices, Department of Economic Development, Publicity Bureau, chambers of commerce, and travel bureaus.

The new map is designed to assist the motorist in every way. U. S. Routes are in red, State Routes in black, and unnumbered routes in grey. This year Maine's sixteen counties are printed in color for easy identification; bordering New Hampshire and Canada are white; lakes, rivers, oceans are blue. State parks are printed in vivid green, and cities of 10,000 and over in population are

in yellow. Around the border of the new edition of the map eight large scale inset maps help the motorist locate routes in the urban areas of Rumford, Mexico, Bangor-Brewer, Saco-Biddeford, Waterville-Winslow, Portland-South Portland, Auburn-Lewiston, Augusta and Kittery. A handy index aids the traveler in computing distances between 49 Maine towns; a legend gives the symbols for the Appalachian Trail, parks, camp sites, picnic areas, game management areas, etc.

On the reverse side of the map the four seasons in Vacationland are depicted in colorful photographs. Also included on this side of the map is informational material covering the geography of Maine, points of interest, recreational features, and a highway route mileage log with cumulative mileages.

The cover of the 1961 Official Highway Map welcomes the tourist to Maine. "America's top Vacationland."

TODAY'S Meditation

Thursday, June 1

Read II Corinthians 4:8-18

That which we have seen and heard declare we unto you, that ye also may have fellowship with us: and truly our fellowship is with the Father, and with his Son Jesus Christ. (I John 1:3.)

Tradition speaks of the martyrdom of most of the Apostles, saying Matthew was killed by the sword, Thomas shot with arrows and put to death with a spear, and Peter crucified head downward. Many early Christians suffered martyrdom.

We wonder sometimes why this should be the lot of many heroes of faith—men in whom dwelt the spirit of Christ. They could not keep silent, for they had experienced the love of God. Torture and persecution could not stop them from proclaiming the good news of the redemptive power of Christ.

To parents in the Bethel area:
The teenagers in our community need the support and cooperation of their parents in their summer activities.

The newly formed Bethel Area Teen Council sponsored by the Bethel Jaycees, is planning a weekly dance program for the summer months.

This program cannot be a success without the help of the adults in the area.

This whole idea originated with the teenagers themselves. If our youth is willing to face the problem of summer boredom with action, we all owe it to them and to ourselves to give them all the help we can.

Please, parents, attend the meeting at Crescent Park School at 8:00 p. m. on Wednesday, June 7, to offer your help and learn all about the Teen Council and their plans.

Please—they need your help.

Gould Nine Clinches League Title

Gould Academy won the Western Maine Conference baseball title here last Monday as they defeated Bridgton High 10 to 7. The rain and cold weather made for some loose playing in the early innings in which the home team found themselves behind 6-0. Two runs in the last of the 4th and one in the fifth started the Huskies scoring. Three hits, three walks, and a pair of Bridgton errors brought in five runs in the seventh for the winners. Gould added two insurance runs in the eighth to win 10-7.

Melville with three hits and Hawkes with two led the offense for Gould. Gould's record in the league now stands 8-1 and overall it's 10-1. After

dropping the opening game of the season the Academy passers have come through with 10 straight victories.

The final schoolboy game of the season will be here Friday with Mexico High as the opposition.
